***Classic cars roll in, and so do donations for United Way of the Ozarks!***  
**ANPAC® celebrates success of Car Show for Kids**

Blessed with picture-perfect weather, area residents were out and about last Saturday, Sept. 20, enjoying festivals and other outdoor events across the Ozarks. For car buffs, the ANPAC® Car Show for Kids was the place to be!

"When it comes to quality, this is definitely the best car show in the area," said Craig Meads, ANPAC® employee and car show co-coordinator. "People come to the show because they like its laid-back atmosphere, but they especially want to see beautiful cars. We definitely had that!"

Held at the American National Corporate Centre parking lot on East Sunshine in Springfield, the show benefiting United Way of the Ozarks had an impressive variety of classics, ranging from T-Buckets to Corvettes, street rods and muscle cars. Among the 157 cars registered was recipient of the "Chairman's Trophy" that was a '53 Studebaker Commander. This work of art, selected by ANPAC® Chairman, President & CEO Greg Ostergren, is locally owned but nationally renowned, recently placing among the Top Ten at the Goodguys Nationals in Columbus, OH.

In addition to the registrants' awards presented for the top-judged cars, ANPAC's Car Show included other drawings for prizes including a \$100 O'Reilly Auto Parts gift card and \$500 given to an American National client insured by CHROME®, which is ANPAC's specialty car insurance.

Initiated nine years ago as a way to promote CHROME® and support the community, the ANPAC® Car Show for Kids has since raised more than \$100,000 to benefit the United Way of the Ozarks. According to Cindy Norman, also an ANPAC employee and show co-coordinator, this year's show proceeds exceeded \$19,000. "ANPAC is honored to host this event," she said. "We're grateful for the continued participation and support of the car owners, sponsors and volunteers who come together each year to support United Way of the Ozarks." Among its corporate partners were Presenting Sponsor Empire Bank and O'Reilly Auto Parts, which served as the event's ticket outlet, as well as media partners KY3, News-Leader and Clear Channel.
